Dear Mr. Masellis,

On behalf of the Bibliotheca Alexandrina, I would like to express my sincere appreciation and gratitude for your generous donation of four issues of periodical titled *Annals of Burns and Fire Disasters* and four issues of periodical titled *Journal of Humanitarian Medicine* in 2010.

Your gift will serve as a valuable tool for the patrons of the Library of Alexandria and will be enjoyed by this and future generations. Without your generosity and the generosity of other benefactors like you, providing adequate library resources would be almost impossible.

I hope you know that you are always welcome to visit the library and use any of our collections and services. I would also like to invite you to take a look at the Library's homepage at www.bibalex.org. This will bring you to one of the country's outstanding collections of electronic information resources. I hope you have the opportunity to look at what we are doing and that you find it engaging.

Once again, thank you for your support and generosity.

Best regards,

Marwa El-Gharabawy
